

Who is Ponkidoodle? What is Ponkidoodle?
Where is Ponkidoodle?

Australian Children's Writer, Neridah McMullin, can come to your school free-of-charge for the month of August 2011.

Send your students on a creative journey of discovery and fun, with literacy and numeracy games.

Neridah's author visits can be tailored but usually go for 40-45 minutes. Every child gets to create their very own Ponkidoodle to take home with them.

All visits are supplemented with a 'Teacher Activity Kit' that remains with the Teacher for further fun and learning.

Please contact Neridah to book in your author visit on 0430 125 185. She also travels to country Victoria, so **BOOK NOW!**
